

Full job description

GIS Analyst/Mapper

- Golden, BC

Description

We are seeking a motivated, positive and dependable full-time **GIS Analyst** to join our team of Forest Professionals in GOLDEN, BC

As a GIS Analyst, you will be responsible for creating, modifying, maintaining, displaying and troubleshooting GIS maps and databases for forestry-based projects in the Natural Resource sector.

This role involves working closely with both staff and clients to complete a variety of GIS tasks to meet client deliverables. You will work as part of a team of GIS professionals on a range of projects, leveraging your GIS expertise and client interaction skills. A key aspect of this position is your eagerness to learn, adapt, and innovate in a collaborative, fast-paced environment.

Duties

The responsibilities of a **GIS Analyst** will include, but not limited to:

- Spatial data management and analysis
- Developing and delivering on operational mapping projects with tight timelines
- Managing incoming field-collected data
- Converting, importing, managing, and manipulating data from a variety of sources
- Performing QA/QC tasks to ensure GIS data integrity
- Using LRM
- Troubleshooting issues related to GIS and web-based mapping systems
- Maintenance and development of GIS infrastructure.

Preferred Qualifications

- Formal education in GIS, with a background in Natural Resources, Geography, or Computer Science
- A minimum of two (2) years of GIS experience working on natural resource based mapping projects

- Experience using Esri, QGIS, and mobile products for data collection, mapping, and analysis
- Experience leveraging map series or other methods for automated map production
- Excellent data management and cartographic skills
- Strong reasoning and troubleshooting abilities, with attention to detail
- Excellent oral and written communication skills, with a focus on customer service
- Legally authorized to work in Canada

Additional Info

- A diverse range of work with a multitude of clients
- A fun, professional and safety-first work environment
- Flexible work/life balance and a supportive, tight-knit team

Benefits

- A comprehensive benefits package with SunLife paid for by the company

Posted date: July 16 2026

Closing date: open until filled

Wage: \$30 - \$40 Hourly depending on experience

Position Type

- Full Time Monday to Friday in office

Hours 40 Hours per week

Location
